A day of adventurous eating and drinking brought to you by the team that has developed Taste of the Catskills Festival, Quarter Moon Cafe, Catskill Food Company, and the Cafe at Ommegang.

Cooking on Coals will be a day long event hosted at Natural Gardens in Meredith. The first part of the day will feature an exploration of the ponds, gardens, and woods at Natural Gardens with food and drink stations set up throughout the grounds. During the second part of the day, people will start to gather around the fire pit where our chefs will cook on coals. SPONSORSHIP OPPORTUNITIES

There will be 300 attendees who are very interested in high end food and drink. This is your opportunity to promote your business to residents and visitors that have the means to purchase your products and services. The venue is magnificent and people that find their way from out of the area are bound to be interested in property, vacations, and other activities they can do during this visit or the next. All participating sponsors will be included on our online interactive map. This way attendees that want to plan a fun filled weekend will be able to plan a visit to your business into their itinerary.
